JAMES SINGER COMING TO MARION

With some degree of probability it is expected that Ada Jones, the famous singer who for many years has been loved by the American people through the songs she has sung at Edison, Columbia, Victor and other recording studios, is coming to Marion in person.

Ada Jones was the first woman in the world to successfully sing into a talking machine. She is now making a tour of the United States for a Lyceum of songs. She is one of the best offered in the world.

Ada Jones came to Marion to be accompanied by her own band, her own violin and a pianist. She will be accompanied by her own band, her own violin and a pianist. She will be accompanied by her own band, her own violin and a pianist.

LEWIS BIRTHDAY DINNER

A birthday dinner was given at the country home of Mrs. H. C. Lewis, February 22, to celebrate the 125th anniversary of her birth. All of her children, seven in all, and several of her friends and relatives were present. It was a most enjoyable affair.

Mrs. H. C. Lewis had remarked that she was feeling like that only once in her life. She was feeling like that only once in her life. She was feeling like that only once in her life.

YOUNG MAN PASSES AWAY

Mr. J. H. Nims, son of Mr. and Mrs. J. H. Nims, passed away Thursday morning between five and six o'clock. He had been ill for several months, having been taken with typhoid fever during the early part of the winter from which he never recovered.

He was twenty years, seven months and twenty days old. He left home to go to the University of Michigan, where he had a position, into leave of absence. He was taken ill at that time and passed away.

METHODIST REVIVAL

The revival service at the Methodist church last Sunday morning was a most successful one. The service was held at the church and was attended by a large number of people.

RETURN FROM WASHINGTON D. C.

Mr. and Mrs. J. Frank Loyd, accompanied by their son, W. F. Loyd of Washington, D. C., arrived in Marion Sunday. Mrs. Loyd is very well, having been taken with typhoid fever during the early part of the winter from which he never recovered.

Mr. Loyd, a former chief of police of this city and one of the best, became paralyzed in his left side on December 19 of last year. Both Mr. and Mrs. Loyd are in a serious condition due to their illness. They will make their home on Bellview Street.

CONTEST AT MORGANFIELD

The C. I. A. Declaratory and Declaratory contests were held at Morganfield Tuesday evening. The contests were held in the court house and were well attended by visitors as well as the home people. All the contestants were represented and a successful and educational program was given.

The winner in the Declaratory contest was Miss Lydia Anderson, who represented Sturgis and who resides at Blackford. Her subject was "The Republic."

NEWS IN BRIEF

Elaborate announcement was made Saturday by President elect Harding that Charles E. Hughes of New York and Republican nominee for the presidency four years ago, had been offered the position of Secretary of State for the next administration and that he had accepted.

The county grand jury of Campbell county issued a statement last week to the effect that either the police of Newport, Ky. or the gamblers of that city must go. The report denounced the police for not giving evidence to the grand jury. The jury left it to the police to decide which must vacate.

THE NEW HIGH SCHOOL VOTE STURGIS JUDGE

Elsewhere in the Press you will read an election call made by the County Judge at the instance of the Marion School Board. This election is to be held on Saturday, March 5, at the different voting places in Marion. The election will be open and no secret ballot used.

The purpose of this election is to vote funds sufficient to build a new high school. A high school building has been needed in Marion for many years and many trials have been made to get a building and much has been said about the subject. But now it seems that we are really to have a building. The present building, as everyone knows, is wholly too small for the work that must be done, and it does not need an expert to see that the Board of Education is taking the only logical step to secure better conditions.

KILLED BY TRAIN

Mr. P. H. Graham, City Police Judge of Sturgis sustained injuries February 13 which caused his death a few hours later. He was struck by a freight train in the Sturgis yards. He was rather deaf and it is presumed that he did not hear the train.

Immediately after the accident, which occurred at two o'clock he was rushed to Evansville to a hospital. Medical aid however was not sufficient to save his life and he died at 8 o'clock.

L. E. GUESS FOR CLERK

In this issue of the Press is the announcement of L. E. Guess as a candidate before the Republican primary, August 6, for the nomination of County Court Clerk. No young man in the county is better or more favorably known than Mr. Guess. The Press predicts that he will have no opposition in either party. He makes a splendid officer as proven by his past years of service.

REV. RICHARDSON DIES

Rev. J. H. Richardson died at Cranton a few days ago with pneumonia. He was sixty-four years of age and had been a Methodist minister since young manhood. A few years ago he was pastor of the Salem circuit and lived in Salem. Rev. Richardson had a wide acquaintance and many friends.

T. C. BENNETT ANNOUNCES

In another column of the Press you will see the announcement of Hon. T. C. Bennett as a candidate before the Democratic Primary of August 6, seeking the nomination for the office of Commonwealth Attorney for this judicial district. Mr. Bennett is one of the leading attorneys of the Marion bar and will no doubt carry the full strength of his party.

SWINGING CHURN IS FAVORED

Durability of Homemade Device is Measured in Terms of Half a Lifetime—Cost is Small

Count your thousands times the specifications as outlined by Miss L. Beale, a housewife of Marion, Ky. and the results will be a swinging churn—a device that is at once simple, safe, and a labor-saver. It is a simple device, its durability is measured in terms of half a lifetime and the cost is negligible.

In a churn of this kind and model, the results are about a dozen times as good as the old style of churn.

This Easily Made Swing Churn is Merely Shoved Back and Forth When it is Filled With Cream. It is Quickly Cleaned and Keeps Out All Dust or Dirt.

by about square. Place it in a large tub, arrange a handle for each end, so pressure and force a churn through the tub in a circular motion.

The moving to the moving. Be sure the handle is at the end of the churn, with a ring in the end of the handle and a ring in the end of the handle and a ring in the end of the handle.

Ready for operation the swinging device is adjusted to only eight. A small child can operate the churn, which is shoved back and forth. The rhythmic impact of the cream against the churn affords the cream for making the butter. S. R. Winters in Popular Science Monthly.

We extend a very cordial invitation to all ladies of Marion and Crittenden county to examine our stock of new spring hats before buying. Moore and Picken.

THE UNIVERSAL CAR

Announcement

In considering the extent to which they can further the growth and development of Ford dealers generally, the building up of their individual organizations and the extension of their activities, the Ford Motor company has permitted us to operate in unrestricted territory, and therefore effective immediately the below named Foster & Tucker, dealers of Marion, Ky., now has the privilege of selling Ford products anywhere in the United States.

Having enlarged our organization and increased our sales strength we will now reach out into the rural sections adjacent to Marion and Crittenden County where restricted financial conditions have made it impossible for the country man to buy Ford cars or tractors on time. We are prepared to offer the time sale below. Fire and theft insurance and a nominal interest charge is the only addition the buyer is requested to pay, no brokerage being charged.
